

# LEAP 'N LEARN DANCE FOR AGES 3-6

## program

Sparkle students are immersed in an imagination rich environment where learning is guaranteed. The use of props during each class nurtures an understanding of the concepts presented. Certified Leap 'N Learn instructors care for each dancer individually, instilling a love of dance and proper etiquette in every class. Pre-schoolers begin in ballet, while school aged students may opt for ballet, musical theatre, tap and/or hip hop. Each class has a required dress code, and each student gets their leotard or t-shirt at no additional cost annually. Small class sizes and structure promote progress & happiness.

## progression

Placement is based on the student's age as of October 1. Tight age groups ensure classmates possess similar developmental abilities. Lesson plans intentionally foster physical, social, emotional, and cognitive growth throughout early childhood. Students progress from Pre-Ballet 1 & 2 through Primary Ballet 1 & 2 and / or Primary Levels of musical theatre, tap, and hip hop. Once they are 7, dancers are ready to graduate to the Ripple Program.

## parental involvement

We partner with parents in preserving childhood innocence, nurturing confident leadership, and creating all-around great human beings. Children receive a weekly coloring sheet; use it to ask questions about what they learned in class. Ask your child to teach YOU how to do what the picture shows. You will be invited into class during specific weeks to enjoy watching your child's progress. Each week you'll get The Navigator Studio Update email containing information regarding your child's class and upcoming important dates and events. Please read it faithfully to be in the know.

## performance

Each May students perform in an enchanting stage production. Students enrolled as of 12/31 will perform the following May. Siblings and students in multiple classes may be cast in different shows. Students must attend required rehearsals in order to perform. Parents are not permitted backstage, and all audience members over 2 years old must purchase a ticket. A fabulous costume is included in your class fees, plus a video file of the show!
